2016 Woman of Distinction - Ally Seder!

The Montgomery County Women's Center is proud to honor Ally Seder as the 2016 Woman of Distinction. She gives tirelessly to help improve the lives of others. Thank you, Ally, for all of the time and effort you share with us!

For more information about the luncheon and where to purchase your ticket, please see below.

Allyson "Ally" Seder, and her husband Mike, are longtime residents of The Woodlands. Together they own The Mike Seder Group Real Estate Company. Seder has dedicated her life to volunteerism and philanthropy, and was honored as a Hometown Hero in 2015.

Seder serves on the Board of Directors for the Montgomery County Women's Center and chaired its WineFest for three years. Over the last four years, Seder also created and has chaired the "Open Your Purse for Change" fundraiser for the Center.

She serves on the Board of Directors for The Pangea Network, has served as chair and co-chair on gala committees for numerous local charities.

1999 Hometown Hero Tom Cox said this about Seder: "She is one of the most giving people that I know. The difference that sets Ally apart from others is that she genuinely gives from her heart. Allyson has so much compassion for helping others - the only thing that would bother her is if she did not give 100% and did not make a difference."
